EnvironmentAllotments

Tap is leaking – JL to repair

JL has received an enquiry regarding another allotment that may be required in the Autumn.

Allotment equipment is with Sue Thomas

Richard Johnson has mowed the top allotment around the fruit trees and it was agreed that this looks good.

Nick Penn informed JL that he was going to clear the allotment near him and has cleared this. Trees have been taken out and a gate erected. Plenty of fruit in that area for the village.

Drainage

Flooding near the Bentley's house over the last few weeks.

It has not flooded near the Grain drier – keep an eye on this area.

Gritting

Map from WCC to be put on website and noticeboard when available.

JL
