R18/1582 – Pleasant View – Confirmation from Council to give complete permission. No further progress. Flecknoe Farm Stud and Livery – No further progress R18/0653 - Manor Farm Cottage – Erection of Shed. Permission given.</p>

The letter confirmed that WCC were looking into the status matter of the unclassified road from Sawbridge to Wolfhampcote . This investigation would be based on historical records and then a decision on the status would be given. 11	<p>Urgent Business Diverted traffic signs. DW commented that she phoned WCC Highways when traffic was diverted through village. They explained that error was due to Northamptonshire County Council having made arrangements for repair work and not having sufficient diversion signs. CM to email NCC to highlight that a lot of inconvenience was caused to Flecknoe as signs should have been at Lower Shuckburgh rather than Flecknoe turning.</p> <p>Discussions were held regarding Severn Trent digging to 1m deep for new piping from Pumping Station to Flecknoe Station to cover poor state of repair.</p>
